

Listen to The Most Trendy New Wave Rap Single Foreign'- by \$lim Billion\$

\$lim Billion\$ is back on SoundCloud with a new club banger single titled "Foreign". Produced by Young Keise this single introduces new rapping style of the swagger.

Phoenix, Aug 28, 2018 (Issuewire.com) - It's been almost a year that the Phoenix based thriving artist **\$lim Billion\$** has gone viral with the rap singles that glorifies the growth of new wave hip hop and rap genre. Young and fiercely talented Billion\$ is dedicatedly composing tracks to prove his vision of "Grind or Die" which is the key to succeed in the competitive music arena. In this new wave hip hop industry only the rappers who have the ability to perform beyond average can succeed. **\$lim Billion\$** is one amongst the successful artists who has literally redefined the genre with his unique rapping style and presentation. After his singles like "Slide Down", "Can't Stay", "42 Bars" and "Bounce Back" went viral on the SoundCloud platform, he decided to work on something that he has never done before and the result is "**Foreign**", a track that is loaded with bizarre music notes and an extraordinary rapping format.

\$lim Billion\$ is not amongst the fortunate kids who have fond memories of childhood. His childhood was tough and challenging. He has faced a lot of hurdles on his own yet nothing could ever destroy the passion he has for music. He continued rapping and also expanded his professional zone like other established artists. Today he has a proven track record of working with various other rappers and well-known producers. His depth in the genre, rapping perfection and sound knowledge about the genre has encouraged more producers to work with him.

Billion\$'s 'Foreign', is produced by Young Keise and is crafted by juxtaposing the intricate elements of new wave hip hop music. The track resembles the popular styles of artists like Post Malone, Lil Pump yet Billion\$ has poured his signature styles that are indeed the USPs of the single. Follow him on [Instagram](#), [Facebook](#) and [Twitter](#) and don't forget to watch his YouTube videos.
