

## RAMMSEY's Amazing Performance in 'Fate' is Leaving Positivity

RAMMSEY drops the most proficient hip hop and rap music fusion in new released song 'Fate'. His new composition is therefore receiving good listeners count.

Tacoma, Aug 24, 2018 ([IssueWire.com](http://IssueWire.com)) - RMMSEY has felt his flare for music at an early age. However, his skills and knowledge of producing something new and fresh every day is really impressive. This singer knows how to create buzz in the industry by composing back-to-back new tracks. His new released song 'Fate' begins with a fast-paced rhythmic flow and its approach

throughout the track is interesting. No matter how your mood is – you will love staying tuned to it for hours. The acoustic guitar inside the track has made it an unbelievable blend as well. The audiences are quite happy with this new performance of [RAMMSEY](#).

The new song '[Fate](#)' is featured by the famous name in the music industry Richie D. However, this track was designed by the artist long back say two years ago. His good friend Rich has helped him a lot in putting the song into the perfect leading vocal performance. The rhythmic fusions as well as instrumentations in the track have kept it one of the most efficient hip hop song produced by the singer **RAMMSEY**. In this song there are many upbeat combinations that you will love to hear in repetition. Moreover, the characterful riffs and rhythmic approach will move your mind.

The base drum and synth synchronization have made '**Fate**' the best song. According to the music producers in the industry, **RAMMSEY** will soon be named amongst the first line singer. His production, lyricism and musicality have proved that this artist has not only developed the skills, but also, gives something unique to the industry. Those rising lower notes break up the lyrical outburst that is incorporated in '**Fate**' by the artist. Creativity has helped him in living a cheerful life. **RAMMSEY** keep your ears entertained with so many upcoming tracks based on hip hop and rap genre. Connect him today in social media like instagram and soundcloud.
