

‘Don’t Play’ is an Amazing Soul Music by the Super Creative Larriet Emari

Larriet Emari has made the lyrical and powerful “Don’t Play”. The music has the consistent kind of freshness which will light up your mind and make you feel great.

Los Angeles, Dec 31, 1969 (IssueWire.com) - **Larriet Emari** is an innovative composer, singer, producer who has made much entertaining music. She is like a storm in the music industry and is making all the people into her captive. Women are always known to do household stuff and song making is like a myth. But the talented singer has changed the stereotype and making a mark with her super hot music. One of her music named “**Don’t Play**” is now on SoundCloud and you will like the amazing creativity. The tuning and the penetrating kind of functionality she has shown is different from others.

She has made the song “[Don’t Play](#)” quite beautiful with the usage of various kinds of attractive instruments and that will nourish your mind and body both. The performance she has showcased is thrilling and quite relaxing. The creativity and the freshness are highly penetrating and have the amalgam of different kinds of seductive instruments. [Larriet Emari](#) is even the president of a multi-entertainment company named Ha La Entertainment. She has opened it and trying to take the music production to a different height.

Her music has a consistent kind of beat and the playfulness with which she charms people is crazy. She was born in Wayne, New Jersey and after a certain time moved to southern California. She was

raised in a musical family where his father had a great liking for music and that has influenced her to take up music. The natural flow and the sensitivity are really magical and magnetic. The essential kind of eccentric factor present in her music is highly wonderful. During the age of 13, she found her true passion for music. The musician is now doing rounds in the site SoundCloud. The interesting kind of flow and excitement is really amazing.
