

Gray is engaging More Ears to His New Hip Hop Beats 'Flexin'

Gray's performance in new single 'Flexin' is touching the height of professionalism. He has directed it towards exact hip hop world where you can feel every beat.

Nashville, Dec 31, 1969 (Issuewire.com) - Aspiring star **Gray** has made a great contribution in the music industry. His excellent approach towards establishing new beats is capturing the mind of many music lovers. The softly melodic hook in his tracks will mesmerize your mind. Moreover, he has catered knowledge and skills on hip hop genre and therefore, his tracks are easily getting attention of

many ears on soundcloud. Apart from this music streaming site, [Gray](#) has also made up good fan base all over the globe. His musicality establishes the fact about his professionalism.

The high quality production is making a difference and keeping this young singer amongst the first line musicians in the world of music. Though he is a newbie in this field, but his understanding of rhythm and its swift placement with the associated verse are juxtaposing each other. If you haven't listened to great hip hop synchronization for a long period of time, then [Gray](#) is the perfect go to. He knows how to incorporate the instrumentations in a single track. However, being a hip hop music enthusiast, you should take a tour to his soundcloud profile and listen to his latest musical experiment '**Flexin**'. This particular track is featured by another famous personality in the world of music and she is Savannah Welch. Hip hop is not anymore rough one in [Gray](#)'s '**Flexin**'. It has now developed a new direction and presenting with an added smoothness.

The soothing approach of the artist will keep you tuned to the song '**Flexin**' for hours. He knows how to create the dreamlike mood of the instrumentation. The way he is depicting rhythm in his track '**Flexin**' can be rarely found anywhere in the industry. Savannah Welch has also kept her words by involving her best skills inside this track. Apart from '**Flexin**', you can also hear '[Is What It Is](#)' – the best mixtape by [Gray](#).
