

Local Locksmith in Westchester New York Installs Locks 24 Hours So You Can Be Safe

Quality Lock Installations By A Real Licensed Locksmith located in Peekskill and Millwood NY

Yonkers, Sep 2, 2018 (Issuewire.com) - Many people are in need of a local locksmith in Westchester County New York for the installation of locks and security hardware. The issue is that many of the so-called locksmith services that say they provide 24-hour emergency service, will not answer the phone during the late night hours. We at Westchester Locksmith Company have dedicated our lives to providing our customers with real 24/7 lockout and lock installation services. We are the only licensed locksmiths in Westchester County New York and we never sleep. We are the only local Westchester locksmith company to offer residential, automotive, car key replacement, commercial and home, business or car lockout services at any location within Westchester NY, Rockland County, Putnam County Day or Night.

Our customers call us at any time and we arrive in most cases within twenty to thirty minutes of the call. We never stop offering our emergency locksmith service in the county of Westchester because if we do, many people will not be safe. If our customers lose a car key in the middle of the night whether it be at a shopping mall or on top of Bear Mountain, We can originate a new car key at any

location anytime. We have the best new car key programming equipment available to cut and program a replacement key for your automobile, SUV, truck, motorcycle, RV and many other vehicles on the road today.

Westchester locksmith company thrives on giving the best prices in the security industry. We get so much local locksmith work in Westchester and Rockland county that we are able to be competitive. That is one of the reasons why we have no competition. The owner of the company has serviced New York for more than a decade and answers all calls and question about locks and security hardware. He literally has his phone by his side day and night. Our technicians are very experienced and have successfully changed locks in extreme circumstances. Some of the lock changes that we do are for people that have lost house keys and car keys, lock replacements, cylinder change, and re-key as well as fix doors.

When you need a licensed locksmith in White Plains or Yonkers, there is no better company to turn to then Westchester Locksmith Co. We will provide you with the best services rain or shine 24 hrs. We give free estimates and never overcharge or clients.
