**New Delhi, Sep 28, 2018** ([Issuewire.com](http://www.Issuewire.com)) - Furnishings is to a space what paint is to walls. It is the furniture of a room that defines its aesthetics and mood. Without furniture, a room is no more than empty space. With it, it is a place what offers warmth and comfort. In Delhi, there are quite a few **furniture manufacturers in Delhi** that handle the demand-supply situation in the city and the towns around it. But very few have a collection so exquisite and exhaustive as Sai Furniture Art. Founded in 2004, Sai

Furniture Art has rose to prominence by the strength of quality and aesthetically appealing furniture.

It's speciality, sofa sets, the company has catered to the diverse furnishing needs of homes in and around Delhi. Currently located in Kirti Nagar where it has a warehouse that inventories all items on its catalogue, the company makes delivery through Delhi and outside. One of the most popular **sofa set manufacturers** in the neighbourhoods of Delhi, Sai Furniture brings to the buyers a very particular kind of sofa units that are hard to lay hands on. Most top-notch furniture companies focus on modular and modern units which are sleek and space saving. While other companies are leaning towards more contemporary designs, Sai furniture persists on building futons, beds and dining tables that are designer kind.

Curved and Designer are the two categories of **living room furniture Delhi** Sai Furniture offers. Under Curved sofas, the units are ornate and elegant, handcrafted in teak wood and designed to perfection by woodworkers. The designer sofas, however, are a bit different in style and aesthetics. Although they still hold incline towards embellished and intricate woodworks, the units in this category vary slightly in design and finish. Their dining table sets and beds follow the same flowery pattern of design. All the units found in the inventory of Sai Furniture warranty comfort and save space. None of them is bulky and space and stealing.

Despite all the ornamentations, the [Designer sofa set in Delhi](#) manufactured by Sai Furniture is sleek and compact. They cast a spell of opulence on the space they sit. So the kind of décor that its furniture work best with is vintage and plush. The Sai Furniture Art units have an old world charm that is most fitting in settings that are adorned with similar kinds of furnishings and wares. For instance, a vintage urn works best as a side decoration for sofas of this kind than a minimal lamp.

Mr O. P. Bajaj, the CEO of Sai Furniture personally looks into the manufacturing process from time to time to make sure that all quality standards are maintained. One of the most sought-after **carved sofa set suppliers**, the company also takes customization requests from its buyers.
