

## 567 Framing Offers Quality Art Framing, Printing and Design Services in New York City

**New York, Oct 26, 2018** ([Issuewire.com](http://Issuewire.com)) - [567 Framing](http://567Framing.com)® is a local business that offers quality art framing, printing, and design services; initially established in 2007 in East Village, New York City as a local framing boutique. The store rapidly received praises from local artists and amateurs, leading to two more openings in the course of two years, one in West Village of New York City and the other one in Williamsburg, Brooklyn. Being in the heart of New York City, where art and innovation blend well together, the stores started to receive an increasing amount of acclaims and appreciation leading to the attraction of notorious brands and top companies such as NYC Mayor's Office, NIKE, Inc., NBC, and HSBC, and celebrities like Beyoncé and Lady Gaga.

The art framing stores' interior is nicely polished with a simple and clean design with samples of frames covering the walls, giving the appearance of a transparent atmosphere to whoever walks in, welcoming those who want to be immersed in the art of framing. The perfect spot for those who are into arts and decorations.

[567 Framing®](#) has a huge selection of different materials from the most traditional wood to the more modern and renovated styles of metal and plastic. They also offer a variety of services such as custom framing, art printing, canvas, and mounting. [567 Framing®](#) is different from other companies, having well-trained professionals who have years of experience in each and every single service, providing professionalism and excellent customer service throughout the years, always dedicated to creating the best-finished art piece as customers requests. To see more about the services and products, visit the website here: <https://www.567framing.com>

The art framing company has quickly build up its name with its quality and affordable pricing, years of expertise with professionals working closely with their clients to accommodate all kind of requests to satisfy all their customers.
