

## Enjoy the Passionate Music Video ‘One More Night (Lyrics)’ by the Brilliant Zack Simpson

The new artist Zack Simpson has launched his latest music video ‘One More Night’ to the audience. The video has been a hit worldwide and is trending on YouTube now.

**Christchurch, Dec 31, 1969** ([IssueWire.com](http://www.IssueWire.com)) - One of the main reasons why we return to music is to remember those moments, which have become a part of our memory. **Zack Simpson** is such an artist who is ready to take you on an emotional tour through his music video ‘**One More Night**’. This young artist is from New Zealand and is trying to turn his passion for music into his profession. Growing up he had a hard time fitting in with other people. That is when music played a massive role in his life helping him move forward. **Zack Simpson** began writing music from a really young age. It

became his outlet for expression. The music clip '[One More Night \(Lyrics\)](#)' is an amazing creation and seems to be taken from his life experiences.

His music video '**One More Night**' is a romantic musical clip. The meaningful lyrics will turn you nostalgic. Its soft acoustic melody is accompanied by his deep sensuous voice. As the music video is lyrical the words will create a deeper impact on your mind. His voice is so clear as crystal and is perfect for singing those captivating highs and lows in the video. The picture used in the music video is perfect for the atmosphere that has been created. It shows the picture of the nightlife with the image of the city in view. The video tried promoting the atmosphere of those romantic nights where you remember your long lost love.

**Zack Simpson** has not restricted himself to one genre. He blends his pop style with modern techniques. He wants to spread positive vibes through his music. He has started getting his success through his online fan base. He has huge numbers of fans following on his social media sites such as [Facebook](#) and [Instagram](#). But one more reason for him having so many fans other than his music is his modest behaviour with his fans. It is his down to earth attitude along with his relatable music video themes that unites him with others. What makes him so different from other artists is his soulful creation. He creates what he feels and the audience can feel it. And '**One More Night**' is the perfect example of it.
