

## Independent Hip Hop Artist from Pottstown Cole Parkinson has Released Incredible Track ‘Playground’

Cole Parkinson’s new performance ‘Playground’ has already gained excellent response online. This track is encouraging the party animals to tap their feet on beats.

**Pottstown, Dec 31, 1969** ([Issuewire.com](http://Issuewire.com)) - Are you interested to go with the new flow of hip hop and rap music? Then, you can play the tracks created by [independent hip hop artist Cole Parkinson](#). This talented rockstar, who is also known as **CPTIME**, is coming up with back to back musical performances. The magical vocalization has yet made a great effect on the listeners. Once you follow this rockstar in soundcloud, you will get the access of his every new track. His mind-blowing musical blend in the new single ‘[Playground](#)’ has made it justified with the ever-green hip hop and rap fusions.

No wonder that **Cole Parkinson** is going to gather a huge fame for his all the upcoming music in soundcloud. He refuses to give up even if he is in the toughest situation. In fact, Cole Parkinson

knows how to keep things up for his fans and followers. He has made the track '**Playground**' loud and unique for the listeners. Those looping chords in the track have added a complete new flavour to it. 'Playground' is really an example of contemporary hip hop that has given new direction to the hip hop music.

The track '**Playground**' explains the perception of the world through the vocalization and rhythmic blends. It shows you the way how you choose your life to live. The beats in this track are given by DappBeatz. On the other hand, this music has been mixed and mastered by the famous name of the music industry Jimboonie Beatz. The voice, the beats and the mood – these are the three primary features that **Cole Parkinson** has incorporated in his track. The hi-hitting beats are creating a bridge between the musicality and rhythmic sense of the artist. However, the instrumentations in the track are also arranged carefully to make it a big hit.
