**Miami, Dec 31, 1969** ([Issuewire.com](http://Issuewire.com)) - **Grimass**, from United States, Florida is an independent rapper. He is a multitalented artist and writes his own songs. At the very early age of twelve, he started rapping and from then he has grown a love for music. From that time music is his number one obsession. His name **Grimass** is taken from the word Grimace which according to the Merriam-Webster Dictionary means 'A facial expression usually of disgust, disapproval, or pain'. The nickname was given by his mother because as a kid he used to entertain people around him, make funny faces and run around the house all day. He was the third of the four children and couldn't experience the best that life has to offer. **Upcoming rap artist Grimass** always believed that through his music and talent he can build a better future for his family.

**Miami united states hip hop artist Grimass** is a studio rat who is very dedicated to his work very much. He has recently dropped his new single '[Destined](#)' and it is appreciated by all music enthusiasts. His music is real, innovative, and catchy. The artist showcases his abilities as a singer, lyricist, and performer. He featured Woke in this song. The music is both bold and reflects the confidence of the artist.

The energy kicks in at the very start of the song '**Destined**' and contains an intense level of passion

in the performance as well as musicality. The vocal energy adds immense strength and draws your attention towards it. The higher pitch and delicacy makes it a mesmerizing track.
