

Music Duo YannaMaria & Montage Releases a Smashing New Single 'When We Dance'

Versatile music duo YannaMaria and Montage hits back with an enchanting new single 'When We Dance'. Their track is already trending and streaming on the gala.

Baltimore, Dec 31, 1969 (Issuewire.com) - Talented music duo **YannaMaria** and **Montage** is quickly rising in the music scene through their latest single '**When We Dance**'. The main singer **YannaMaria** despite being in her early 20s, holds a lifetime of music business knowledge. With her vocal ability, star power and her fresh new approach towards her music, it is not surprising that she has quickly established herself as a consummate artist and performer with the release of her buzz worthy singles in 2016. Her upcoming single named '**Candy Crush**' with a new album on the way, this artist has become a voice for the bold and savvy young women everywhere.

This incredibly skilled music duo brings for the audiences a smooth and seductive take on modern R&B and soul music. The calming and ambient musical backdrop and the hypnotic melody-line are all driven with uniquely deep and distinctive leading voices of the artists. These two artists have showcased their deeply personal and honest approach to song writing and their inherent creativity through their music. '[When We Dance](#)' is a track which feels dreamlike and delicate right from the start. It soon evolves into something more of a heartfelt, passionate and rhythmic musical masterpiece.

The artists' use of contrast work wonders here and the soft and smooth lay-out of the

instrumentation, lyrical vulnerability to the powerful hook have a huge effect on the audience and keep them involved throughout. While **YannaMaria's** voice might feel at first like old school R&B & Soul star's style, soulful and easily meandering through the rhythm and beats. The way her voice carries it as it progresses and grows, leans a little more in the direction of something little grittier. The certain swagger and edge of the whole track will get you hooked.
