

## **Samantha Markle "FAKE NewsPrenuer"**

**Announces the Launch of "What's Up With That" PODCAST!**

**SAMANTHA MARKLE©**

**Boston, Oct 28, 2018 ([IssueWire.com](http://IssueWire.com))** - Cain & Cain PR is excited to announce the launch of **"What's Up With That" PODCAST**, A Podcast that touches on HOT TOPICS bringing awareness to the absurdity of what's trending today. Samantha tackles REAL VS Fake in her usual "What's Up With That" witty commentary shedding light on a wide variety of topics that leaves us all scratching our heads and asking what's up with that? **This Podcast will enlighten and educate, make you Guffaw, or better yet do the pee-pee dance.** The official launch date for **"What's Up With That" PODCAST** is **December 5, 2018.**

**Cain & Cain PR** believes **"What's Up With That" PODCAST** will allow Samantha's listeners to hear from the source directly. Since she's a trending story, who better to narrate the SAGA.

**Samantha is available for Speaking Events for the following KEYNOTE TOPICS:**

Cyberbullying | Multiple Sclerosis | Social Media & Fake News

**President Donald Trump accused the "Mainstream Media" or "purposely false and inaccurate reporting"** Samatha Markle has coined the term "FAKE NewsPrenuer" as she has become an EXPERT in identifying and exposing the tabloid Media dubbed "Fake News" **Samantha feels maybe there's some TRUTH to fake news after all and would love to shed some light on it.**

**Samantha Markle** since being thrust in the limelight as a result of her sister Duchess Meghan Markle's marriage to Prince Harry developed overt awareness surrounding issues of cyberbullying while becoming a victim of outright cruelty and threats beyond the norm through social media. She has decided to no longer be a victim, to utilize her platform, and to further bring awareness to the onslaught of abuse and misuse of Cybercrimes globally. As a woman currently living with MS she wants to inspire, uplift, raise funds, and bring forth a quality of life to those presently challenged by this debilitating disease.

Samantha has found her voice through all the noise, remarkable spokesperson, the role model on behalf of those who've been bullied, ignored and silenced. Samantha Markle simply stated is A GAME CHANGER!
