

Famous Canadian Rap Duo Halfway Human is Causing Buzz through Their Dynamic Tracks

Aspiring music duo Halfway Human is all set to debut their sizzling collection of electro-rap tracks. His tracks are viral and streaming on major music sharing sites.

Waterloo, Dec 31, 1969 (Issuewire.com) - There are many rappers who are gradually rising to fame with their eclectic hip hop and rap blends. But this music duo **HALFWAY HUMAN** has brought a collection of revolutionary tracks which are enough to change the landscape of the music industry. This [famous Canadian rap duo Halfway Human](#) who are 26 and 24 years old and consists of Chris Rainham who is a producer, song writer and vocalist as well as Dylan Sutherland who is a song writer, lyricist and vocalist. They mainly like to focus on hip hop and rap music but they have also truly mastered other music genres like hip hop, electro, fast rap and spiritual music. They want to teach the listeners to let go of the pain and embrace who they are in life.

Chris Rainham has collaborated with Dylan Sutherland known as **HALFWAY HUMAN** in this project and if you are a fan of really catchy and really fast-paced electro-rap tracks then this music duo will not disappoint you. Their collection begins with an iconic track named '[Burr on the Cat](#)' which is very real, heartfelt, insightful and intuitive track which pours deep thought and reflective realism into your life. The second track 'Enjoy The Feeling' is an introspective, chilling and reflective track. The simple beats and distant riffs float through by the side of a driven and passionate leading voice.

The third track in the collection named 'Leaving Behind' is a personal as well as futuristic track

which simple musical backdrop and combines feelings with hope with difficulty and tiredness. This music duo continues creating their musical masterpieces with a touch of honesty and hardship and melodic hook sections. There is a theatrical nature to the overall performance, story-telling and introspection which makes it no less compelling. Their tracks are already viral on [Facebook](#), [Instagram](#), [YouTube](#) and **Spotify**.
