

Finally the Much Waited Music Album 'Tale of Two Cities' by Memphis Maccie is Out

Good news for music enthusiasts all over the world as the much spoken about album 'Tale of Two Cities' created by Memphis Maccie is available to the audience now.

Memphis, Dec 31, 1969 (Issuewire.com) - It has become quite hard to hear something versatile in the rap genre these days. However, you don't need to worry about that anymore as the much-awaited album '**Tale of Two Cities**' has finally been launched. And it is just as been expected. In fact, it exceeds much of our expectations. **Memphis Maccie** has always captured the public attention

with his gifted musical taste. He has been creating music from a very younger age. With time his passion for music only grew before he finally took this as his profession. **Memphis Maccie** is known for his diversity and versatility. His tracks are very diverse from anything that you have heard before. The album consists of a total of 11 tracks. But two of his tracks that need special mentioning are '[Mafia Ballad](#)' and '[Push](#)'.

He did an excellent job keeping 'Mafia Ballad' as the starting tracks. The song is so catchy, it will intrigue any listener to stick around and wait for the rest. The song starts off with a soft melody followed by his intense and deep voice. Together with the beating of drums and the booming sound of the bass along with his moralistic lyrics this song is the perfect creation to set anyone party on fire. It enhances the listener's expectation to a level that cannot be reached. But the next track 'Push' turns out to be even more incredible. It can be understood that **Memphis Maccie** poured his soul into the creation of this track. The energy and freshness of this track are beyond description.

Memphis Maccie has his own production house titled Rampid Music Group and has a huge fan following on his social media sites such as Twitter, Facebook and Instagram. He all together brings a different flavour to the rap genre of music.
