

Franck Rouas French Perfumer Creates A Paris Jackson Legacy

Las Vegas, Nov 13, 2018 (Issuewire.com) - *Thriller Perfume* will debut June 12, 2019, at The World Music Awards in Montepier, France. Tom Cruise will act as the host of the ceremony, and you can also expect appearances. Paris Jackson, and Jane Kelly will be among those appearances to promote *Thriller Perfume*.

If the exquisite design of the bottle, with quality glass by Luigi Bernioli doesn't love at first sight. *Thriller Perfume* will capture your senses like nothing before with its throwback dabber and the perfect ratio of redolence. The smell of patchoulli blended on top of a sweet vanilla musk will stick around for hours.
