

Listen to your Intense Fears Come Alive with the Song 'Nightmares' by Slagle

The passionate singer Slagle is here with his brand new track 'Nightmares' to capture you with your innermost fear. It's been hit among the music lovers worldwide.

Cleveland, Nov 16, 2018 (Issuewire.com) - Hip-hop has been trending in the music industry for a long time. But not all artists can create tunes that would touch your soul. Anyone can tell give you a list as to how a hip-hop song can be. But **Slagle** has created something that is beyond what the usual hip-hop is like. His track '**Nightmares**' rather than focusing on the party and club anthem of hip-hop focuses on the darker most intense and deeper fears of the human nature. He is one such artist who tries to reflect on the true nature of human life rather than writing lyrics about money, women and parties. The singer has grown up in Cleveland, the United States, and is one of the hardest working artists who have created his place among others through sheer hard work.

For hip-hop fans, '[Nightmares](#)' must be one of the best releases in the recent year of hip-hop music

production. It is different yet it has got that classical touch of traditional hip-hop tunes to it. The song is characterised by extreme lyricism something that will transport you to the innermost depths of your soul. Followed by it is its rhythmic melody, its powerful bass and synchronised beats. [Slagle](#) has poured so much of himself into this song that it has become a personal biography of any individual, dealing with their worst nightmares. He created the song with equal levels of passion, intensity and honesty, without holding anything back. And this is what made the song reach the artistic excellence it has reached today.

'**Nightmares**' is one of the best creations of Slagle among his other compositions such as 'The 5th Season' 'The Blues' 'Eerie' 'Prpl' etc. It is through his music that he connects with his fans. Well, **Slagle** is available on [Facebook](#), [Instagram](#), and [Twitter](#) etc.
