### **Jessica Adams:**

"How far does astrology predict the future? Months or years. It's a most unusual way of timekeeping. Most of these 20 date-stamped psychic and astrology predictions from my website [jessicaadams.com](http://jessicaadams.com) were made 12 months in advance. From Meghan Markle's unexpectedly stormy wedding to a big World Cup secret, the horoscopes saw it all."

"Reading your horoscope this year meant that you were fully prepared for the Gatwick drone scare, the Wall Street end-year craziness and the government shutdown chaos in the U.S. The What does 2019

hold? A successful Brexit in September. A money laundering clean-up that changes the world economy forever. And the end of Trump's 2020 dreams."
