Glasgow, Dec 31, 1969 (IssueWire.com) - If groovy, rhythmic beats and booming bass is your taste then **HANZY** is the artist for you. At the age of 17, he has released a total of twenty tracks. Mainly focusing on the genre of EDM, Big room and progressive future house genre, his tracks are the best for festive and party seasons. If you are planning to through a house party and can't decide the kind of music to choose from, then rest assured **HANZY**'s tracks are bound to make your party a success. Characterised with rejuvenating tunes and drifting beats his track '[Hanzy Hour - Sunday Session #14](#)' is just what you need at the end of your tiring day. Hailing from the United States he is a trending DJ among the youngsters of the population.

'Hanzy Hour - Sunday Session #14' has all the elements that would attract a large audience to it. The opening moments brings together electronic and jazz music together creating an ambience that will keep you hooked through the track. The vocals offer brightness and the energetic pop elements keep the monotonous issues off the bay. It is the perfect track to enjoy with your friends and family. Running down with the euphoric qualities this track is unlike the EDM track that is available out there. The more you hear it the more it has a deep impact on you. Losing yourself to its beats is easy.

HANZY's other creations 'Hanzy Hour - Sunday Session #15', 'Hanzy Hour - Sunday Session

#13', 'Hanzy Hour - Sunday Session #12' and 'Hanzy Hour - Sunday Session #11' are equally trending among the audience. He is no more the [Glasgow dance artist](#) but is now the DJ who is taking over the world with his musical compositions. **HANZY** connects with his audience through YouTube, Facebook, Twitter and Instagram accounts.
