

Get a Good Laugh with king Apes 'I am dating your ex girlfriend behind your back' Prank Video

The prank king, king Apes is back with his 'I am dating your ex girlfriend behind your back' prank video. Watch this entertaining prank video trending on YouTube.

New York, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - There are many comedians on the internet today trying to make you laugh with their professional skills. However, **King Apes** is one of those individuals who create something hilarious in the most natural way possible. His video '[I am dating your ex-girlfriend behind your back](#)' just shows how natural he is when it comes to acting. He is from the United States and is trying to create a name for himself through this video. This prank video '**I am dating your ex-**

girlfriend behind your back' is just the beginning of what he has in store for the audience. Till now he has fifty subscribers on his YouTube page.

The video '**I am dating your ex girlfriend behind your back**' kicks off with **King Apes** taking to the audience that he is about to play this prank on his friend. The setting of the video is natural. There is nothing phoney or counterfeit about this video. With hip-hop music playing in the background **King Apes** begins talking with his friend. The expression of **King Apes** was as good as any professional comedian. As the video progresses and the conversation moves forward, you can see the expression of **King Apes**'s friend changing. Certain memes are ingrained into the video making it more hilarious and asking each individual to focus on those specific parts. Certain sentences in the video at the very beginning are fast-forwarded incorporating a cartoons voice mainly for two reasons.

King Apes wanted people to focus on the main video and make it amusing at the same time. The shattered expression of his friend was what gives us the impression that [King Apes](#) succeeded in what he was trying to pull off. No one has to wait for April fool's day anymore, they can simply subscribe to **King Apes**'s YouTube channel if they want to keep laughing throughout the year. '**I am dating your exgirlfriend behind your back**' is one of the best videos you can come across the internet. If you are looking for new ideas to prank your close friends, loved ones or best friend with, then don't forget to check the videos of **King Apes**.
