

## Marko Stout Taking Over Homes Of Celebrities Across The Globe

Leading New York artist, Marko Stout, has his works featured on the walls of top celebrities worldwide

**New York, Dec 27, 2018 ([Issuewire.com](http://Issuewire.com))** - Marko Stout has continued in his stride of changing the art world and creating works that practically anyone can easily relate with as his works have become the desired choice of celebrities across the globe. Marko Stout doubles as an artist and fashion icon that has basically transformed the world of art not only in New York where he is based but also in other parts of the world. His cutting-edge, aspirational industrial pop style that combines the downtown New York City DNA with a modern, rock-chic edge has distinguished him from others in the industry.

Marko Stout's works have made in popular with art lovers particularly with celebrities using his unique and creative pieces to decorate their homes while also collecting several works from the pop art master. Over the years, Marko and his works have received accolades from several A-list celebrities including Kaya Jones of the Pussycat Dolls, Lance Bass of NSYNC, and Caitlyn Jenner of Keeping Up with the Kardashians.

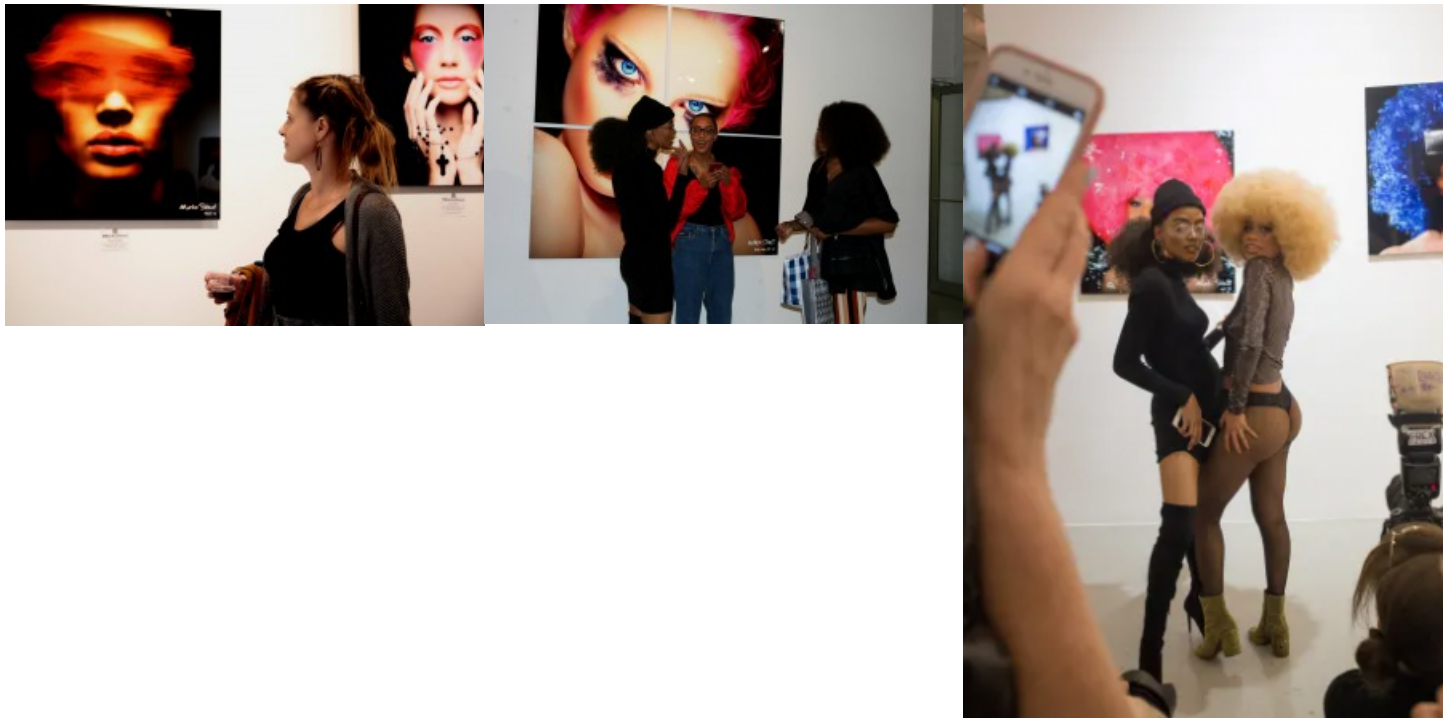

Marko's most recent solo exhibition held at the popular Gallery MC in New York was sold out. The exhibition attracted a massive number of young fans, celebrities, art dealers and international collectors across the globe. Marko has also been compared to the likes of Jeff Koons and Andy Warhol, due to the

uniqueness and creativity behind his works.

More information about Marko Stout and his works can be found on his [website](#). Marko Stout is also available across several social media platforms including [Facebook](#), [Twitter](#) and [Instagram](#).

### About Marko Stout

Marko Stout is an American contemporary artist popular for his gritty industrial pop style that focuses on New York City and modern urban life and has described by many art enthusiasts as the successor to Andy Warhol.
