

Pop Artist Jordan Waller Launched Another Hit Single to the Public ‘Staying Up Late’

Get ready to listen to another magnetic single of Jordan Waller titled as ‘Staying up Late’. This song has been an enormous hit among music enthusiasts worldwide.

Vancouver, Dec 31, 1969 (Issuewire.com) - Talent cannot be acquired, it is a gift you're born with and **Jordan Waller** proves that with his unique gifts. Being so young it is quite surprising how a 24-year-old can be so successful at the beginning of his career but his creations like '[Staying Up Late](#)' shows what a genius he is. His first debut release 'This Feeling' got him a spot on contemporary Hit Radio. Every song of his show what a versatile artist he can be. Though he mainly focuses his song on pop they lack the element of monotony and his audience is presented with new singles every single time. His latest creation '**Staying Up Late**' shows the enhancement of his skills as a musician.

The track '**Staying Up Late**' starts off with a number of combined elements like soft background melody with the artist voice steering clear of every other instrument with his intense and deep lyricism that brings out the song even more lively. The track is glorious and is presented with the mesmerising quality which leaves you a mark every single time you hear it. There is a balance of soulfulness and rhythm throughout the track. **Jordan Waller** voice picks up its strength as the song progresses into the second verse. He has invested all emotions into the track and it is quite clear that this song is close to his heart once you hear it.

Jordan Waller's unique musical talent has got him recognition in social sites like Facebook, Instagram, Spotify, YouTube etc.
