## **Jewelry Repair**

Tim Le just isn't a master jeweler, Tim Le is a master jeweler that was born to be a master jeweler. Tim Le has been fixing, repairing, and restoring memories for over 20 years. For 18 of them he has done that RIGHT HERE at your Jacksonville Jeweler, Premier Jewelers.

No matter the kind of [jewelry repair](#), whether Bracelet, Ring, Anklet, or Necklace. If you need a new Lobster Clasp, Spring Ring Clasp or Hook And Eye, Tim has you covered. No matter if your bracelet is made of Oval beads, tubes, lentils, it was carved or made of discs, Tim has you covered. If your pendant is in need of repair, or your charm bracelet is missing a charm or three, Tim has you covered. We also repair bails, locket and festoons too.

Our jewelry repair is done on site. We don't have to send our jewelry off site to get repaired. Your memories do not leave the store to get lost in the shuffle. We have all the tools of the trade and everything on site to get your are treasured piece of jewelry repaired and ready to wear out in the world.

## **Sell Gold for Cash.**

We have been buying gold at Premier Jewelers for over 20 years. We have fantastic relationships that have lasted over the years. That being said we are always looking to get a better deal and pass that savings along to the customer. When you become a gold buyer, you learn a lot over the years. You learn that a lifetime customer is priceless and that is exactly our aim when you come to Premier Jewelers to sell your gold.

Maybe you have some old gold from when you were a teenager, or some old gold that has been in the family. You know you will never wear that! Turn that gold into money, and turn that monetary influx into opportunity for your family. Otherwise, that gold jewelry will collect dust in a Jewelry Box. At Premier Jewelers we pay cash for gold on Baymeadows and Southside Boulevard just one mile east of Interstate 95. If you want to [sell gold](#), take a look at us.

## **Diamond Engagement Rings**

Hailing from the heavens, forged by heat and pressure, searched for with care and determination, Diamonds are indeed a girl's best friend. Nothing says love like clear light refracted through a precious stone catching the eyes of all who come near.

Give her the gift that she has always desired, in the form of a beautiful diamond engagement ring to symbolize your rock steady and ever-long commitment.

At Premier Jewelers, we don't have the exorbitant rent and overhead that our competitors do. We are a locally owned family jewelry store who has been in the business over 2 decades. When you [buy a diamond engagement ring](#) from us, You know you were getting a quality diamond because we only buy quality diamonds. At Premier jewelers, we want you to know what kind of diamond you are buying.

We will educate you, and show you what makes one diamond worth more than another diamond. There is a lot more to buying the diamonds than the "4C's" of Cut, Clarity, Color, and Carat. We would be happy to explain why you shouldn't spend more money on a diamond, just because your jewelry store has a million dollar budget.

### **Who do you think is paying for that million dollar budget?**

Whether it's through our longtime vendors, jewelry shows, Or another means, we only buy quality diamonds, and we are sure to have the quality diamonds to meet your budget. Don't spend your money on television advertising. Come to Premier Jewelers and learn about diamonds. We are confident that no matter where you shop, you will come back to us. Even if we don't have a diamond engagement ring in stock that meets her criteria, we excel in finding in great diamond rings from our vendors and connections.

### **Engagement ring settings**

Perhaps we have the diamonds that you are looking for, but not the setting. We work with all the national jewelry companies, especially Stuller, to help us find the perfect fit. Of course our master jeweler can create any custom engagement ring you can imagine, but that is another story for another day. Different diamond ring settings that we can acquire prong settings, channel setting, bar setting, bezel setting, gypsy setting, tension setting, allusion setting, cluster setting, you name it.

### **Diamond engagement cuts**

Whether it's in stock or not we can find you a round diamond, princess cut diamond, cushion cut diamond, marquise cut diamond, Emerald shaped diamonds, radiant diamonds, pear shaped diamonds, oval diamonds, or the classic Asscher cut diamond. At Premier jewelers we know our diamonds and have been dealing in them for over 2 decades. Come learn everything you need to know about Diamond Engagement Rings right here in Jacksonville Florida on Baymeadows road and Southside Blvd.

### **No Interest until 2020\***

We are offering no interest through 2020. Many terms and conditions apply, financing through Synchrony. See or Call store for details. Get her that Diamond she's wanted with No Interest!
