

## Rap Verses in the Track 'Bad 4me' By the United States Based Rap Artist Sana is Wonderful

Hip-hop and rap music lover must listen to Sana's new track 'Bad 4me'. The lyric in the track is heart-catching and the rhythms are perfectly blended.

**Cincinnati, Dec 31, 1969 ([Issuewire.com](http://Issuewire.com))** - **Sana** is one of the famous hip-hop artists in the world of music. He is an independent artist with a passion for creating music with unique sound. His songs mainly belong to the hip-hop and R&B genre. His tracks are unique, has understandable lyrics and the listeners can relate to the story in the track. His new track '**Bad 4me**' has all the necessary elements of hip-hop and rap music. The beat is intense, the rhythm holds its pace as the sound and the ideas unravel around the listeners. The release and fun and grabs the listeners to move and keep moving from start to finish.

The whole thing in the track '**Bad 4me**' by the [United States based rap artist Sana](#) supports and enhances the mood, the other details in the track builds upon the character and delicate power of the track in a stunning way. The use of contrast between the performances adds dynamic variation to an otherwise smooth and simply rhythmic piece of music. The flow and wordplay from the opening verse are incredibly impressive. The music is smooth but accompanies the more laid-back, exhausted moment in life. The tone and the lyrics work towards the same truthful appearance and pour throughout like diary entries. The track highlights the performance and unites for the meeting between clarity, creative expression, and unique musicality.

The beat is thick and nostalgic and drives the movement of the track '**Bad 4me**' by **Sana** which is really well. The music is beautiful and the song as a whole speaks volumes for its genuine touch. The beat is perfectly in tune with the delicacy of instrumentation, creating a clever balance between the organic and the electronic world. The musicality continues to impress and keep things interesting which isn't always easy with instrumental music. You can listen to her song simply by visiting Soundcloud.
