

Rising Maryland Rap Artist Two Face Hits Back with a Dynamic New Release ‘Reaper’

Aspiring artist Two Face sets the bar high on hip hop and rap with his newly released track ‘Reaper’. His latest track is trending and streaming on the gala.

Baltimore, Dec 31, 1969 (Issuewire.com) - Hip hop and rap is such a music genre which never fails to get you hyped no matter what the situation is. There are loads of singers and upcoming rappers nowadays who are coming up with different styles of hip hop and rap music. However this **Maryland** based **rap artist** named **Two Face** hits back with a mind-blowing music track ‘**Reaper**’ which is leaving the fans a little lost and dizzy. This young 18 years old visionary has his own production house named **Applied Pressure**. He has truly mastered the hip hop and rap music genre. He creates flawless contemporary music only for the energetic young generation of the society.

The track ‘[Reaper](#)’ starts with the perfect kind of beats to vibe to, combining that easy-going and funky beats with the high energy of the edgy rhythms of rap music. This track opens up and sets you on the right direction. The artist **Two Face’s** vocal and the melodic hook-line are the final pieces of the puzzle which complete a deliberately created musical masterpiece. The deep and confident vocal performance of the artist followed by the impressive rap performance keep the flow relevant and impactful. No wonder this artist’s music is already trending on social media sites like [Instagram](#).

The complex subject matter and the real life experiences of the artist depicted through the lyrics have a definite touch of the personal truth. This versatile artist has a strong ear for song writing that keeps

the creativity and wordplay intact which are enough to hold the attention of the audiences for a long while. The title and the concept work effectively in arousing the interest of all the listeners. The crisp and calming quality of the soundscape and the immersive quality of the ambience will make you fall for this artist's music.
