**Miami, Dec 20, 2018 ([IssueWire.com](http://IssueWire.com))** - Renowned hip-hop band **25 Hunnit** is making quite an impression on the music industry with their fresh compositions. Among some of the talked about bands in the music trade, **25 Hunnit** makes the list of producing new hits with traditional elements imbedded into it. Taking full advantage of the label 25thdouble0; Lil Fito, B.Roy, Cloud has formed this band. The tracks produced by them have each of their style engraved into it. Blending the genres of trap along with hip-hop the tracks are best suited for celebration. Among their collection of hip-hop singles, '**Chosen**' is trending on every music loves playlist.

You may consider **25 Hunnit** to be an armature band but once you listen to them, you will be forced to change your perspective. '[Chosen](#)' is crafted with great care and personal experiences. As the song progresses from one verse to the other the intensity and vocals become clearer. The level of energy and spirit that comes from the track is unfathomable. Along with the hip-hop elements, there are some soulfulness and melody mixed into it. The track '**Chosen**' gives you a little of everything. The song is subjective, with each listener interpreting it their way. If you carefully listen to it you will get a storyline relatable to many individuals.

**25 Hunnit** can be categorized as an [upcoming hip hop music band from Miami](#) who is talented enough to give the established artists a run for their money. Their other trending tracks 'Foreign', 'Old

Bag', 'Showtime', 'Down For That' and 'Simple' each have an eccentricity that is unlike anything you have heard before in this music trade. There is also a mildly industrial feel to the drum work and bass present in most of the tracks. The music band **25 Hunnit** connects with their loyal fans through Instagram and Twitter.
