

Blending Various Styles into his Tracks is None Other than the Ingenious Artist Rene Fresh

Giving the audience a taste of traditional as well as modern through his tracks is none other than the brilliant Rene Fresh. Listen to his music on SoundCloud.

Phoenix, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - Bringing to you your conventional genre with a twist of his own is the brilliant musician **Rene Fresh**. Since his childhood, **Rene** has a flair for hip-hop music. Throughout the years watching famous artists like Cassidy, Drake, Ludacris, he wanted to give the world a taste of his creations. In 2007 he started making beats with melody and rhythms he found

interesting. He wanted to create something that the world can remember him by. Focusing on the hip-hop genre he wants to voice his own story throughout his tracks. This [Hip-hop artist out of Tucson](#) is not your everyday hip-hop artist. His production house is known as [Suspect Familia](#).

It was in the year 2012 that the artist **Rene Fresh** hit the stage with two of his own compositions. After an electrifying performance with the tracks 'Chains' and 'future' he became a worldwide sensation. Through his tracks, you can find a deep desire for success with a flavour of personal drive to be the best. **Rene Fresh** through his music wanted to present the audience with something that they can enjoy. The verses sometimes offer alternative rhythms and the satisfying melody makes sure you get to feel the track from the very beginning. Compositions like '[Fed Up](#)', '[Movies](#)', '[No More](#)', '[Real Hip Hop](#)' and '[Slow Yo Roll](#)' is what he is known for.

Along with producing relatable tracks, **Rene** made sure that his music is motivational. With each passing day, his fan base keeps on growing which is quite noticeable through his social accounts on [Twitter](#) and [Instagram](#). **Rene** never takes his audience for granted. Unlike other artists, he takes his listeners comments into consideration. It is his unending enthusiasm for music that brings people close to him. **Rene Fresh's** music has got a depth which many artists often forget to characterise their track with.
