

## Hilton Ras Al Khaimah Resort and Spa teams up with RAK Autism Centre

In celebration of World Chocolate Cake Day, Hilton Ras Al Khaimah Resort and Spa focuses on family fun, with chefs, parents and kids creating delicious chocolate cakes together.

**Ras al-Khaimah, Jan 29, 2019 ([IssueWire.com](http://IssueWire.com))** - [Hilton Ras al Khaimah Resort & Spa](http://HiltonRasAlKhaimahResort.com) held a special event, inviting guests and their children to celebrate World Chocolate Cake Day with fun and family spirit discovering new and exciting cake creations.

For this creative occasion, Hilton Ras Al Khaimah Resort and Spa teams up with Ras Al Khaimah Autism Centre allowing 10 autistic children from the organization to participate in this beautiful event, that also represents the continued commitment of Hilton Resort and Spa towards social responsibility.

The fun began at 4pm with a chocolate cake decorating workshop, taking place at the elegant Italian Restaurant PIACERI DA GUSTARE, a fun and entertaining exercise lead by the hotel's talented Pastry Chef Thamim, helping the little apprentice chefs take the challenge of decorating and creating an array of the most beautiful cakes.

Following the workshop, a cake auction was held at the Dome Lounge, located in the hotel's lobby where the family atmosphere along with the beautiful sounds of a soothing live music played by the resident pianist, continued to share the warmth and deliver moments of joy for all attendees.

Hilton employees, guests and parents went all out to support raising money and awareness for Autism, while in-house teams from the Tree House Kids Club along with a team of teachers from the Autism Centre hosted competitions, games and entertaining activities for the Children who enjoyed ending a fun day at Hilton Ras Al Khaimah Resort and Spa with a big smile and a goodie bag.
