

Laurels School International Faculty Gets Lesson on Life Management

Transformational workshop for teachers at Laurels School International

Indore, Jan 10, 2019 (Issuewire.com) - Transformational workshop for Teachers at Laurels School International

Laurels School International organised a workshop - Heal Your Life - for its faculty members recently. The workshop was conducted by internationally acclaimed psychologist **Dr S Neelkanthan**. He Stressed on a need for applied psychology for life management. Teachers need to become transformational leaders who can take steps to redesign student's life. Students need to be encouraged to appreciate positive aspects of life which will help combat stress in today's competitive world. said, Dr Neel.

The workshop was also attended by School Directors, **Ms Jaya Chacko** and **Ms Jennifer Chacko**, Principal **Dr Anshu Deshmukh**, and Vice Principal, **Ms Thara Nair**.
