

New Techniques of Harrison Bond Make him Stand Out in the Industry

The captivating songs of the brilliant artist Harrison Bond have made him quite popular among people. Blending various styles his songs are soulful and relatable.

Milton Keynes, Dec 31, 1969 (Issuewire.com) - **Harrison Bond** has made quite for a name for himself in the music business as an exciting new emerging artist. He is a recording and touring producer from the town of Milton giving the world a taste of his music. **Harrison** booked a place for himself in the London O2 Academy just after four months of getting his first gig. His unending positivity can be found in tracks like '**Fallen Out of Love**', '**Out Of Town**' and '**Cocaine Queen**'. Artists like Del Rey, Alex Turner and The XX are his inspirations.

Harrison's tracks have a creativity that is unique and beautiful at the same time. Each of the tracks is easy to get into and the melody of each song brings everything together. The soundscape of

'**Cocaine Queen**' with its groovy beats and rhythmic tunes are so alluring that you will be bound to listen to it time and again. '**Out of town**' has got a well-built storyline behind it. It is also one of the most relatable songs in the music industry. And 'Fallen out of love' leaves a definite mark in your soul.

Being an independent songwriter and producer he had to put in thrice the effort as compared to other artists. **Harrison** connects with his fans through his social media accounts on [Facebook](#), [Twitter](#) and [Instagram](#). He is giving a new twist to the indie genre and presenting an innovative style to the people. Harrison Bond is currently working on his second EP titled as '**GOOD HITS - VOL I**'.
