

Newbie Rapper Angel Star Is Getting the Fans Grooving with his Funky New Track ‘Run It Up’

Upcoming artist Angel Star is making the fans flock to his gala through his new track ‘Run It Up’. His track is already streaming on popular music sites.

Amarillo, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - Any kind of music, regardless of their genre is like a creative art that has the capability of rejuvenating your heart and soul and uplift your spirit. It also works as a medium for the artists to showcase their creativity, skills and talents. However, this rising rapper and performer named [Angel Star](#), who is from Texas, is stealing the spotlight through his dynamic new release ‘[Run It Up \(Prod. By Jouce Money\)](#)’. This young and independent artist has truly mastered the hip hop and rap music genre. If you are looking for a unique hip hop and rap music experience, then this artist will not disappoint you.

This captivating track ‘**Run It Up (Prod. By Jouce Money)**’ released by **Angel Star** drives with emotional urgency and the personal turmoil of artist. You can see the passion and dedication in the vocal delivery as well as in the lyricism. The story-line is full of loss and desperation and it ends spectacularly which means so much to the listeners. There is a certain kind of calming delicacy to the musical backdrop. The laid-back vibes and the ambiances have a lot of warmth and the intensity. The soundscape creates a huge contrast with the beats.

The artist’s brand new track introduces a refreshingly unique rap style and the varying effects come off as more distant and less invested in the struggle. The melody-line meanders in unpredictable

ways and represents the thoughts and concepts of the artist perfectly. As the music goes on and the beats continue to play, it effectively highlights the professionalism and the innovativeness of the artist. The underlying sentiments hit with a lot of impact and add more intimacy and perspective to this flawlessly crafted track. His music is already causing a stir in popular social media site like [Instagram](#).
