

## Bristol Wedding Venue announced; Clifton Observatory opens its doors to Weddings

**Avon, Feb 27, 2019 ([Issuewire.com](http://Issuewire.com))** - Clifton Observatory has opened its doors to become a leading Bristol Wedding Venue from 2019. This iconic venue in the heart of Bristol City overlooking Brunel's suspension bridge offers a unique setting for your special day.

The beautiful Georgian building situated at the top of Observatory hill provides uncompromised viewing of both Bristol City, Avon Gorge and the Clifton Suspension Bridge. The original building that was once used as a windmill in the 1800s has recently undergone a complete interior renovation and is now open as a unique events space. The main function space named the William West Room displays a striking décor and chandelier and is fully equipped to meet all event requirements.

Claire Taylor Head of Venue shared some information about the news "It's a great honour to have the privilege to host and play a part in so many peoples special day. The team at Clifton Observatory have worked hard in ensuring our venue provides an exceptional setting and experience for all those who host their wedding at our venue and we cannot wait for the great times ahead. We look forward to welcoming guests to our open days to view the renovations and enjoy the breathtaking views from our rooftop terrace" – Clair Taylor

As a newly licensed wedding venue, the Clifton Observatory allows you and your partner to become a part of the rich history. With a range of wedding suppliers, you are able to transform this versatile space into the wedding you have always dreamed of.

Clifton Observatory holds open days on the last Thursday and Saturday of every month. The next open days will take place on Thursday 28th March and Saturday 30th March. To confirm your place, visit the website and send an enquiry; <https://cliftonobservatory.com/venue-hire/>
