

Daniel Promotes even with O G Snizz lying to police still prevails

An OG druglord uses police on B.A.D.D.

Boston, Feb 3, 2019 (Issuewire.com) - Snitching. The number 1 enemy of the streets is snitching worse when its a lie a dirty lie. Daniel Promotes or as many know him as B.A.D.D. has never had a fair fight even as a youth the neighborhood kids would gang up to fight him. So it's no surprise that when OG Snizz made his threats about gang violence to B.A.D.D. that B.A.D.D. has a Warrant issued for his arrest. O G Snizz in his fear and cowardness made up a false police report saying B.A.D.D. called him with death threats. OG Snizz being a Confidential Informant since the mid-2000s is a valued asset for law enforcement had little trouble lying to police. The last 2 years B.A.D.D. has been fighting a case on a lie from a jealous and dirty man who has a history of abusing women and lying on people from his own neighborhood in Roxbury. Still with this rotten man lying to police B.A.D.D. has continued to persevere guided by his faith in God.

Starring in ATLIN60SECONDS an Atlanta based TV show and promoting high profile projects B.A.D.D. has used his pain to grow his career in the mainstream.
