New York, Feb 28, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Currently, Dr Dowlatshahi currently practices at Homerun Dental, a family dental practice in the heart of Chicago. HomeRun Dental promise to provide the highest level of customer service and the quality dental care you deserve. She is a general dentist and sees patients for a diverse range of dental procedures. Throughout her career, she has dedicated her practice to the care and treatment of every one of her patients.

Dr Dowlatshahi graduated from the University of Illinois at Chicago College of Dentistry. Prior to her dental school education, she completed a Bachelor Degree in Biology from the University of Wisconsin at Platteville. She also received a Bachelors and Masters degree in Computer Science from Northeastern Illinois University. She graduated with honours in biology from the University of Wisconsin.

Dr Dowlatshahi is an active member of the American Dental Association, the Illinois State Dental Society and the Chicago Dental Society, all of which allow her to stay current in her field. She is an expert in her field and maintains the highest standard of care throughout her dental practice. The American Dental Association (ADA) exists to power the profession of dentistry and to assist our members in advancing the overall oral health of their patients. Together with their 163,000+ members, they've been driving dentistry forward for 160 years.

General dentists provide a wide array of services that are vital to patients' continued health. These services include: preventive services — helping to maintain good oral health by stopping disease before it takes hold in the mouth; restorative services — receiving timely and appropriate treatment when a problem is identified; as well as cosmetic services — performing a range of cosmetic procedures, such as teeth whitening, cosmetic bonding - even porcelain veneers. General dentists also address overall health concerns, as oral health is seen as the mirror of general health. In fact, some dental problems may reflect issues in other parts of the body and vice versa.

Dr Dowlatshahi is an active member of the Wrigleyville, Chicago area. She enjoys giving back to the community and caring for her patients. When she is not seeing patients, she enjoys cooking, travelling, yoga and spending time with her friends and family.
