

## **Dr. Taunya Lowe is masterful... Joe Theismann, Legendary NFL World Champion Quarterback, NFL Football**

Atlanta, Feb 26, 2019 ([IssueWire.com](http://IssueWire.com)) - Taunya A. Lowe, PhD., national and international speaker, trainer, consultant and author named **Amazon #1 Best Selling Author** in the *Business Leadership* category for her book, *Results Driven Organizations: The 4 Keys for a High-Performance Workplace*.

Lowe, describes, and expands on the areas of strategy, leadership, teams, and creating customer experiences while directing readers toward identifying their organizational strengths and challenges such as dysfunctional teams, low productivity and high turnover. She sprinkles the chapters with stories of her own leadership challenges and lessons learned. Lowe states, "Many times, even the best plans and a leader's focused vision aren't enough to move an organization in the desired direction. An organization's human capital is its most precious resource and they need developing, strategies, leadership, team and organizational support."

Thought leaders give praise for Dr. Taunya Lowe's strategies and book; Here's what they have to say:

*This fast-moving book is based on practical, proven strategies you can use immediately to get better results in your organization or business.* **Brian Tracy Author/Speaker President- Brian Tracy International**

*Dr. Taunya Lowe is masterful at helping employees self-identify their workplace behavior challenges and build a strategy for improved performance and success.*

**Joe Theismann, Legendary NFL World Champion Quarterback, NFL Football TV Commentator**

*"This book is the secret weapon that every organization and leader can use to achieve success in business. Dr. Lowe has put together a collection of the four keys and organizational success strategies, in an easy to read guide. Her book is incredibly noteworthy and valuable to help you achieve a high-performance workplace and the results that every business and organization strives for to be successful. "Results Driven Organizations" is truly magical! Well done!"*

**John Formica (The Ex-Disney Guy) One of the World's Foremost Disney Philosophy Experts**
