

Natural Agriculture Farmer's Market Is Now Open!

The M Cafe in Hollywood loves Natural Agriculture Produce

Hollywood, Feb 5, 2019 ([IssueWire.com](http://www.IssueWire.com)) - The SHUMEI HOLLYWOOD CENTER announced today that the M Cafe Restaurant, located at 7119 Melrose Avenue in Hollywood, California, has invited them to have a Natural Agriculture Farmer's Market at their restaurant located on the **1st and 4th Sundays** of each month during 2019!

M Cafe's Chef has been purchasing fresh Natural Agriculture produce from the Shumei Hollywood

Garden each week to create their delicious entrees for most of 2018, and was so pleased with the taste and quality of the vegetables that they wanted their customers to have even more access to the wonderful "difference" of vegetables and fruits grown using the Natural Agriculture Method, which was developed in Japan during the 1930s by the Shumei Founder, Mokichi Okada.

People growing the Natural Agriculture Method use NO Manure, fertilizer, fungicides, herbicides, or pesticide chemicals of any kind when growing their tasty fruits and vegetables. They focus on Pure SEED, Pure SOIL, and Pure HEART, where they show gratitude, love, and appreciation to all plants and trees that are grown in the gardens or on the farms. The results are amazing, and come through with extraordinary taste!

People can find out more about Natural Agriculture by visiting the SHUMEI AMERICA website at shumei-na.us, or by visiting or calling the Hollywood Center at 7406 Franklin Avenue, Hollywood, CA 90046, telephone: 323-876-5528
