

Rising Northern California Singer Blak Blayk Drops Poignant Hip Hop & Rap Tracks on the Gala

Blak Blayk has appeared with a group of conscious and buzz-worthy hip hop and rap music. His tracks are already a hit among music fans all over the world.

San Jose, Dec 31, 1969 (IssueWire.com) - Young and independent artist **Blak Blayk** has bounced back in the spotlight again with his thoughtful and introspective hip hop and rap music blends. This versatile hip hop lyricist conveys his religious messages through his songs. He is known for delivering catchy musical pieces in the hip hop and rap music genre. His musical creations are basically characterized by the dark and metaphysical concepts which set them apart from all the others. His music is already causing a sensation on popular social media platforms like Twitter and Instagram.

The unique metaphors, expert story-telling and heavy poetic expressions in the music of this immensely talented [Northern California singer Blak Blayk](#) is making the music lovers flock to his gala. He likes to incorporate his own style and attitude in his music. His brand new tracks like **'Intricate (Prod. By Arkitekt)'** and **'The Legend Of The Fall (feat. Tinuola Victoria) (Prod. By Pandora Nightz)'** have a carefree combination of addictive melody and rap right from the start. His vocal tone and delivery work well with the underlying sentiment and the themes of these two tracks. The lyricism stays true to the artist's personal truth and adds more weight and character to the whole thing.

The track named **'[Intricate \(Prod. By Arkitekt\)](#)'** highlight the originality and individuality of this artist.

The uplifting and the positive vibes in this track can get anyone high. The second track '**The Legend Of The Fall (feat. Tinuola Victoria) (Prod. By Pandora Nightz)**' is an authentic piece of song writing and music which is capable of grabbing the attention of the listeners. The beats, hook section, riffs and synths is simple yet effective and possess a definite amount of swagger. All of this artist's tracks come off as incredibly refreshing and relatable and have earned a place among the favourite playlists of the die-hard hip hop fans.
