

## The Professionalism Shown by Illinois rapper J Lazarus in his Composition Stands Unmatchable

The trending artist J Lazarus is winning people's hearts through his creative compositions worldwide. You can listen to his hit tracks available on Soundcloud.

**Carbondale, Dec 31, 1969 ([Issuewire.com](http://Issuewire.com))** - If you are a fan of hip-hop that has realism and imbibed into it then **J Lazarus** is the artist for you. Always mixing and matching various genres and styles he brings forward tracks for his audience that is unheard of in the music business. Through his creations, **J Lazarus** wants to make a change in the hip-hop community and change the perspective of the people about the hip-hop genre. He remains unmoved by the ongoing trends in the music industry and creates music that speaks to him. Being an independent artist he has to put twice the effort as compared privileged artists in the industry.

Rather than his name, it is the tracks of **J Lazarus** that speaks for him. Though not much of his music is out there, two of his tracks are enough to stand as a testament for his creativity. The song titled 'Dont say Sorry' is latterly gaining worldwide appreciation from the audience. The subject matter incorporated within the track is very much relatable. It can be said that through it is based on the hip-hop genre, instead of dealing with money and women, '[Dont say Sorry](#)' deals with those emotional times that most individual face in their life.

This [Illinois rapper](#) though gaining the much-needed fame remains true to his fans. He connects with them through his Instagram account in social media. It is his modest roots that attract people to **J**

**Lazarus** apart from his musical gifts. Another of his track that has been trending on Soundcloud is 'I DONT QUIT'. And just like the name of the track, it shows the artist's determination of not giving up. Along with his music he wants to change the perspective of the people for the better. **J Lazarus** evolvment as an artist can be seen through his creations.
