

2nd Global Experts Meeting on Diabetes, Hypertension & Metabolic Syndrome

Diabetes Meet 2019

Singapore, Mar 19, 2019 ([IssueWire.com](http://www.IssueWire.com)) - It is very happy to announce the "2nd Global Experts Meeting on Diabetes, Hypertension and Metabolic Syndrome" scheduled through May 17-18, 2018 in Singapore with a theme, "Novel Innovations and Management in Diabetes Management". Which brings together a unique and international mix of large and medium pharmaceutical, biotech and diagnostic companies, leading universities and clinical research institutions making the conference a perfect

platform to share experience, foster collaborations across industry and academia

As the conference is knocking the door we have left with limited **Speaker/Delegate** slots. Will be glad to assist you throughout the conference

Please do not hesitate to contact us for any further concerns. We would be happy to assist you throughout the conference.

Looking forward to hearing your positive and swift response.

Best Regards

Victor Rodriguez | Program Manager
