

Earl J. Clement II, MD, Family Medicine Physician with Palo Pinto General Hospital

Get to know Family Medicine Physician Dr. Earl J. Clement II, who serves patients in Mineral Wells, Texas.

New York City, Mar 18, 2019 (IssueWire.com) - Dr Clement II is a Family Medicine Physician in Mineral Wells, Texas. He currently practices with Palo Pinto General Hospital, whose mission is to promote optimal health and wellbeing of the entire community by providing patient and family-centred, quality healthcare in a respectful and safe environment.

As a family medicine physician, Dr Clement II examines and treats patients with a wide range of conditions and refers to those with serious ailments to a specialist or appropriate facility. He also provides preventive care, including routine checkups, health-risk assessments, immunization and screening tests, and personalized counselling on maintaining a healthy lifestyle.

Dr Clement II received his medical degree in 1999 from Meharry Medical College in Nashville, Tennessee. Thereafter, he went on to complete residencies in Family Medicine with the University of Wyoming College of Health Sciences and Austin Medical Education Program - Seton Health.

Dr Clement II is board-certified in Family Medicine by the American Board of Family Medicine (ABFM). The ABFM is the second largest medical specialty board in the United States. Founded in 1969, it is a voluntary, not-for-profit, private organization whose purposes include: improving the quality of medical care available to the public; establishing and maintaining standards of excellence in the specialty of Family Medicine; improving the standards of medical education for training in Family Medicine; as well as determining by evaluation the fitness of specialists in Family Medicine who apply for and hold certificates. Their mission is to improve the health of the public through certification, training standards, research, leadership development, and collaboration. Furthermore, Dr Clement II holds memberships with the Texas Medical Association and the Harris County Medical Society.

Family medicine is a medical speciality devoted to comprehensive health care for people of all ages. Since its creation, the specialty has delivered on its promise to reverse the decline of general medicine and provide personal, front-line medical care to people of all socioeconomic strata and in all regions of the United States.
