

George L. Blum, MD, FAAP, Pediatrician with Southfield Pediatrics

Get to know Pediatrician Dr. George L. Blum, who serves patients in Bingham Farms, Michigan.

New York City, Mar 20, 2019 (Issuewire.com) - Dr. Blum specializes in pediatrics, allergies, and immunology. He currently serves patients at Southfield Pediatrics, the leading pediatrician in the greater Novi and Bingham Farms MI areas. With over 60 years of practice experience, Southfield Pediatrics offer excellence in healthcare to their pediatric families by combining the highest quality care with a strong dedication toward achieving exceptional patient satisfaction. They remain committed to not only providing superior patient care but being the partner in healthy living from birth, through adolescence and into adulthood.

Dr. Blum is board-certified in pediatrics by the American Board of Pediatrics (ABP). Founded in 1933, the ABP is one of the 24 certifying boards of the American Board of Medical Specialties (ABMS). It is an independent, nonprofit organization whose certificate is recognized throughout the world as a credential signifying a high level of physician competence.

After receiving his medical degree from the University of Michigan Medical School in 1955, Dr. Blum went on to complete his residencies in Pediatrics with the Children's Hospital of Michigan and the University of Michigan Health System. He also completed a rotating internship with University of Michigan Health System.

Dr. Blum is past President of the American Academy of Pediatrics (AAP), Michigan Chapter. The AAP is an organization of 67, 000 pediatricians committed to the optimal physical, mental, and social health and well-being for all infants, children, adolescents, and young adults. Dr. Blum is also a Fellow of the AAP. Any Fellow of the AAP may nominate a Fellow, or themselves, for a National Committee chairperson or member position. Committee appointments are made on the basis of knowledge, expertise, and the documented needs of the Committee.

Dr. Blum is a Clinical Associate Professor at Wayne State University Medical School and a member of the Board of Governors for the University of Michigan Alumni Society. Furthermore, he is Secretary Treasurer for the University of Michigan Pediatric Alumni Society.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. Pediatricians are medical doctors who are responsible for examining, diagnosing, and treating children with a wide variety of injuries and illnesses. With a passion for his field and an unwavering commitment to his specialty, Dr. Blum is an expert in changing the lives of his patients for the better. He strongly believes in caring for children like they are his own.
