London, Jul 17, 2019 ([IssueWire.com](http://www.issuewire.com)) - We are honoured to cordially invite you to the “Global Congress on Infectious Diseases and Contagious Diseases”. The event will be held 17 – 18 July in London, UK. This congress aims to create an opportunity for the young researchers, PhD students and doctors to share and present their scientific work, discuss new developments and exchange experiences in wide range of fields. Global Infectious Diseases 2019 is designed to be inspiring and motivating meeting, where you have a chance to share ideas and contemplate our honorable guests’ lectures as well as improve your practical skills, during the workshops.

We feel obligated to provide you a meeting platform stimulating a creative exchange of scientific ideas, likewise enjoyable social event where you can meet scientifically enthusiastic friends from all over the world. We look forward to welcoming you in London

FIGHT AIDS
NOT PEOPLE
WITH AIDS.
