

Psychologist Katherine Fisher, PsyD Provides Services for the Greater Washington DC Metro Area

Get to know Psychologist Dr. Katherine Fisher, who serves the Northern Virginia and Washington DC metro area at Potomac Psychological Center.

New York City, Mar 7, 2019 (Issuewire.com) - Dr. Fisher serves patients at the Potomac Psychological Center and provides psychological evaluations for children and adults focused on cognitive, intellectual, social, and emotional functioning and neuropsychological screening. She also offers therapy, advocacy, and consultation for individuals and families. Additionally, Dr. Fisher is an

instructor and master trainer in exercise, yoga, Pilates, and dance with DC area health clubs and dance studios.

Potomac Psychological Center's mission is to provide excellent, comprehensive behavioral and psychiatric healthcare at an affordable price through their network participation with several major insurance companies.

Dr. Fisher completed an undergraduate degree in sociology at George Mason University, then continued her studies by obtaining a master's degree in social work from Catholic University. Dr. Fisher earned her doctorate in clinical psychology from the American School of Professional Psychology. She has over 11 years of experience in the field of medicine.

Dr. Fisher has been featured in several local media appearances and has provided demonstrations and public speaking events for many citizens of the Washington DC area. To stay current in her field, Dr. Fisher maintains professional memberships in many prestigious medical organizations.

As a psychologist, Dr. Fisher evaluates and treats patients through a variety of methods, most typically being psychotherapy or talk therapy. Patients usually visit Dr. Fisher because they have been experiencing depression, anxiety, stress or anger for a significant period of time and are seeking help. Psychologists may perform a variety of exams and assessments to diagnose a mental condition.

Dr. Fisher is able to give her patients the best possible psychological care. When she is not seeing patients, she enjoys spending time with friends and family members.
