

## Registered Nurse Eileen Ramos, RN, BSN, HACCP who Provides Care for the Raleigh, North Carolina Area

Get to know Registered Nurse Eileen Ramos, who serves patients within WakeMed Raleigh Campus.

**New York City, Mar 7, 2019 ([Issuewire.com](http://Issuewire.com))** - Eileen Ramos currently practices as data analytics manager for the Vascular Quality Initiative registry at Wake Med Health & Hospitals, where she has been practicing for over two decades and holds over three decades of experience in the nursing field. Additionally, she is the data manager for the NCDR PVI Registry.

Serving the community since 1961, WakeMed Health & Hospitals is the leading provider of health services in Wake County. With a mission to improve the health and well-being of our community, we are committed to providing outstanding and compassionate care. Their efforts focus not only on providing exceptional patient care when it is needed but on the wellness services and community outreach that engage and empower the people we serve to take charge of their health.

Eileen graduated with her Bachelor of Nursing and certification as a Registered Nurse from Thiel College in 1987. She holds the HACP advanced Nursing certification which is the only national professional credential solely dedicated to demonstrating competency in the CMS survey and certification process. She holds expertise in SICU, MICU, Telemetry/Stepdown, O.R. nursing, Perianesthesia nursing, CV surgery, Cardiothoracic Surgery, Cardiac Catheterization Lab /Electrophysiology Lab post-procedure, and Endoscopy. She has also assisted in the development of school nursing programs in South America. Eileen was specifically chosen to care for the first patient to receive a carotid artery stent radial approach.

To stay up to date in her field she remains a professional member of the American Nurses Association. The American Nurses Association (ANA) is the premier organization representing the interests of the nation's 4 million registered nurses. ANA is at the forefront of improving the quality of health care for all. Founded in 1896, and with members in all 50 states and U.S. territories, ANA is the strongest voice for the profession
