

Steven J. Weintraub, MD, Anesthesiologist with North American Partners in Anesthesia

Get to know Anesthesiologist Dr. Steven J. Weintraub, who serves the population of New York.

Management at North American Partners in Anesthesia. Dr Weintraub has been a member of NAPA since 1985, working in areas of general anaesthesia and obstetric anaesthesia. He has been a director of pre-surgical testing for over 20 years.

Founded in 1986 by the anaesthesia group from Long Island's North Shore University Hospital, North American Partners in Anesthesia (NAPA) is now one of the leading single-specialty anaesthesia and perioperative management companies in the United States. NAPA partners with hospitals, ambulatory surgery centres and physician offices to provide anaesthesia services and perioperative leadership that enhance operating room performance, revenue, and patient and surgeon satisfaction.

Dr Weintraub is also an assistant professor at Hofstra University, NY. Hofstra University is a private institution whose primary mission is to provide quality education to its students in an environment that encourages, nurtures, and supports learning through the free and open exchange of ideas, for the betterment of humankind. Hofstra University is fully committed to academic freedom and to the transmission, advancement, and preservation of knowledge for its own academic community and for the community at large. Hofstra University offers undergraduate and graduate programs taught by a research-active and professionally engaged faculty. Academic excellence guides everything the University undertakes.

Dr Weintraub graduated with his Medical Degree from UMDNJ Rutgers Medical School in Newark, NJ in 1981, giving him over three decades of experience in his field. After obtaining his medical degree he completed his residency and fellowship in obstetric anaesthesia and critical medicine at the Yale School of Medicine in New Haven, CT. To stay up to date in his field, Dr Weintraub remains a professional member of the American Society of Anesthesiologists, The New York State Society of Anesthesiologists, Inc., and the American Society of Risk Health Management.
