

## Uzoma Chris Osuchukwu, MD, MPH, Psychiatrist with Advanced Psychiatrist

Get to know Psychiatrist Dr. Uzoma Chris Osuchukwu, who serves the population of North Las Vegas, Nevada.

**New York City, Mar 7, 2019 ([Issuewire.com](http://Issuewire.com))** - Fellowship trained psychiatrist Dr. Osuchukwu currently practices within his private practice Advanced Psychiatrist. Additionally, he serves as the director of the Child and Adolescent Unit with the Montevista Hospital.

Montevista Hospital is an acute behavioral health hospital serving children, adolescents, adults and seniors located in Las Vegas, NV. They provide a structured, therapeutic and safe environment for those patients who require acute care with psychiatric, as well as adolescent residential care. Their multidisciplinary team approach makes use of a highly-trained medical and professional staff to help individuals find the self-acceptance and confidence they need to be successful in families, communities, work places and schools.

Dr. Osuchukwu graduated with his medical degree from Ahmadu Bello University in Zaria, Nigeria in 2000, giving him nearly two decades of experience in his field. Wanting to further his education he graduated with his Masters of Public Health from Boston University School of Public Health in 2004. After obtaining his medical degree, he completed his psychiatry residency with the Harlem Hospital, Columbia University, NYC Health and Hospitals. Furthering his training, he completed his child and adolescent psychiatry fellowship with the North Shore LIJ School of Medicine.

To stay up to date in his field he remains a professional member of the American Academy of Child and Adolescent Psychiatry, American Psychiatric Association, and the American Medical Association. He has an expertise in Child and Adolescent Psychiatry. Dr. Osuchukwu is dual certified in Psychiatry and Child & Adolescent Psychiatry by the American Board of Psychiatry and Neurology.

The ABPN has been serving the public interest and promoting excellence in the practices of psychiatry and neurology through its certification and maintenance of certification processes. These processes are designed to identify qualified specialists through rigorous credential and training requirements and successful completion of board examinations.
