The new rapper from Atlanta named Ken Capri is taking the hip hop music to the next level with 'Summer Daze EP'. This album is the hub for party banger singles.

**Atlanta, Mar 25, 2019** ([Issuewire.com](http://Issuewire.com)) - The year 2019 till now has been very exciting and full of surprises in terms of hip hop and rap music. One key reason for the increasing rate of success is the gala appearances of young rappers like **Ken Capri**. Ken has literally changed the face of rap music with his innovative rap narratives and eclectic music scores. Ken gives many reasons to listeners to become his fan not because he has some great music in his gallery but because he has been inspired from many real-life instances that helped him to stay dedicated to the profession. Apart from his various successful chartbuster hits, this season he has made a great entry with the new album '**Summer Daze EP**' now streaming on SoundCloud.

**New Rapper from Atlanta Ken Capri** believes in almighty and truly thinks that God really pushed him to make his career in the music industry. He is very hard-working and wants to make a strong position in the music arena with his exotic rap music pieces. When it comes to the tracks of his '**Summer Daze EP**', it is indeed the best set of summer tracks to spice up pool parties and other celebration this coming summer. The EP is loaded with three different singles titled '[Paper Trail](#)', '**Tokyo**' and '**B.F.F**' all of which are very different from each other in terms of music, style and feel.

'Paper Trail' is the opening track that begins with a very attractive opening beat followed by the

sensational rap singing by ken. The second single 'Tokyo' features other artists like Lando Ameen, King Khepera and Sebastian Francis and all the artists together has really sat the track on fire. Last but not least; the third single 'B.F.F' is the one single that will boost your energy levels. Stays tuned to SoundCloud and keep enjoying **Ken Capri's** sassy singles.
