

Amanda AK Johnson, LMSW, Social Worker with Bay-Arenac Behavioral Health

Get to know Social Worker Amanda AK Johnson, who serves the population of Kawkawlin, Michigan.

New York City, Apr 27, 2019 (Issuewire.com) - Amanda AK Johnson, LMSW is a Social Worker currently serving patients at Bay-Arenac Behavioral Health in Bay City, Michigan. Her career began in

2015 when she completed her Master's Degree from Michigan State University. As a leading expert in her field, she specializes as a Clinical Specialist and Autism-Wrap Around Services.

At Bay Arenac Behavioral Health, the staff is committed to collaboration with other organizations to encourage wellness, to promote prevention, and to increase health literacy. Maintaining good mental health is an important part of staying well - it is as important as taking care of your physical health.

In order to keep up to date with the newest developments in healthcare, Amanda remains an active member of the National Association of Social Workers. Founded in 1955, the National Association of Social Workers (NASW) is the largest membership organization of professional social workers in the world, with more than 120,000 members. NASW is committed to enhancing the professional growth and development of its members, to create and maintain professional standards, and to advance sound social policies.

Her overwhelming success is attributed to her love of the field. She has always had a passion for helping others in their time of need while making a difference in their lives. Amanda sees the importance of supporting individuals and their families who are coping with severe disabilities.
