

Customer-Focused Logistics Provider Offers Competitive Edge Through A Unique Method

Overland Park, Apr 23, 2019 (IssueWire.com) - 4FreightQuote.com *provides solutions to freight shipping issues with customized service through a method known as KISS (Keep It Simple Stupid). The KISS method gives the company a leg up on the competition.*

Finding efficient and reliable freight companies can be quite difficult. With businesses wanting faster

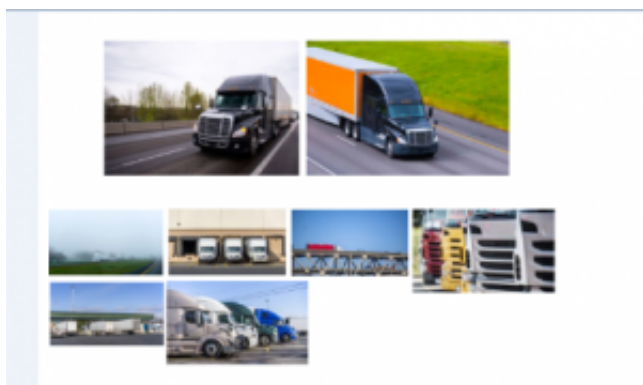

delivery at lower costs, it can be hard for most freight companies to accommodate such businesses. 4FreightQuote.com is a solutions-based third-party logistics company serving the USA, Canada and Mexico. They offer the simplest system to get a freight quote using an old school system tagged the KISS (Keep It Simple Stupid) method.

Businesses will always need to ship their goods, no matter the type of services they provide, and that should mean significant opportunities for companies like 4FreightQuote.com that specialize in providing unique freight services. According to the company's vision, the goal is to offer the customer answers to logistics problems that will make the client successful at his or her company. They are committed to the kind of customized service and personalized attention that will encourage their customers to make them their first choice for all their needed freight services. They are proud to serve as a reliable and affordable partner to help further the growth and success of their clients.

For businesses that want to enjoy premium freight services from 4FreightQuote.com, it is very simple. All they need do is to go to 4FreightQuote.com and type in their Name, Email, and Phone number. The next thing after that is to turn on the microphone and speak in the details of what they want. Within seconds, 4FreightQuote.com will send them all the needed forms. 4FreightQuote.com representative will call in and give the business representative a personalized rate in minutes. 4FreightQuote.com can set everything up in less than 15 minutes and pick up in 2 hours anywhere in the 48 states.

What sets 4FreightQuote.com apart from other freight services providers include offering \$10.00 off the first shipment Service, 2 hours pick up on LTL shipments in The USA, Canada, and Mexico and very competitive contracts.
