

Daphne Bazile-Harrison, MD, FACOG, OBGYN with Southside Physicians Network

Get to know OBGYN Dr. Daphne Bazile-Harrison, who serves the population of Virginia.

New York City, Apr 16, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Board certified Obstetrician and Gynecologist Dr Daphne Bazile-Harrison currently practices with Southside Physicians Network. Additionally, she is affiliated with Howard University Hospital, where she is an Assistant Professor and Clerkship Director in the Department of OBGYN. She has a passion for teaching and mentoring and has earned several awards throughout her career. She is also a Partner OBGYN with Tri-Cities OBGYN.

Southside Physicians Network and their staff, provide accessible, comprehensive, compassionate, high quality, chronic and acute health care to all patients on demand regardless of the patient's age, race, religion, sex, nationality, ability to pay, diagnosis, or prognosis. Southside Physicians Network recognizes that quality of care encompasses a broad spectrum of characteristics to include the performance of the practitioner and the support staff, accessibility and availability of services, the efficiency and appropriateness of services, the acceptability of services to the patient, and the continuity of care for the individual and the community at large.

Dr Bazile-Harrison graduated with her Bachelor of Arts and Masters of Arts in Pan African Studies from Columbia University in 1998. There she was a peer mentor and part of the Black Students Association Caribbean Students Association. Furthering her education she graduated with her Medical Degree from Howard University College of Medicine in 2004, giving her over a decade of experience in her field. There she was part of the National Medical Association. After obtaining her medical degree she completed her internship and residency with Howard University.

Dr Bazile-Harrison is certified by the American Board of Obstetrics and Gynecology. The mission of the American Board of Obstetrics and Gynecology is to define specialty standards, certify obstetricians and gynaecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.
