**Houston, Apr 19, 2019 ([IssueWire.com](http://www.IssueWire.com))** - **Dr. Farah Talib**, an alumna of the University Of Illinois College Of Dentistry. She has a DMD degree and has been practicing dentistry for quite some time now. Over the years, she has worked with a number of dental clinics and even now, she is associated with three of the most reputed dental clinics in Texas – Zara Dental, Bayside Dental, and Angleton Family

Dental. Dr. Farah Talib's expertise and professionalism are the two things that give her an edge over other dentists.

She always focuses on improving the overall dental health of her patients using the latest trends and technologies. She constantly works on gaining knowledge in every way possible. Also, she never misses an opportunity to learn something new and is quite passionate about continuing her education. Dr. Farah is exceptionally skilled at everything she does. If you are looking for crowns & bridges, veneers, or composite veneers, you should definitely visit **Dr. Farah Talib** at one of the three clinics.

When away from work, Dr. Farah prefers spending time with her friends and loved ones. She loves to travel to unexplored places whenever she can. No wonder she has inspired a number of young dentists.

### About Dr. Farah Talib, DMD

**Dr. Farah Talib, DMD** received her DMD degree from the University of Illinois at Chicago. Later, she decided to move to Houston. At present, she is working with three leading dental clinics in Texas – Zara Dental, Angleton Family Dental, and Bayside Dental where she provides comprehensive and affordable dental care services. The different dental care services include preventive care, dental exams, fillings, silver filling replacement, root canal, teeth whitening, dental bridges, dentures, crowns, extractions, and more.
